Dear Jessica Grainger,

I want you and the FEC to know that I plan to terminate my committee that I used to run for Congress as soon as possible. The final information that I need to file is in the hands of my former campaign manager, Phillip Griffin. He is out of state working on other campaigns and because of software needed to file with the FEC he told me that he will have to wait till he gets back to his home office in Mississippi. I ran for the first congressional district in a special election earlier this year in Mississippi. I appreciate your understanding as I have made phone contact with you and look forward to completing this process as soon as Phillip can help me. Please feel free to contact me if needed. Thank you.

Sincerely,
